**THIRD SUNDAY
IN ORDINARY TIME**

Today's gospel gives us another version of the call of the disciples. Again, it starts with an invitation. Jesus invites the disciples to "come after him" that is, to come to friendship with him and imitate him. They did just that and therefore were able to bring others to Christ. What Jesus did with those first disciples, he does for us, if we are willing to come to friendship with him. Now, the challenge before us is - will we take the next step, to share our friendship with Christ with others. It's time to put aside our lack of confidence and to hear what Jesus says to us today, "come after me and I will make you fishers of men [and women]" How will you respond? What action will you take?

Grand Annual Update

Our Campaign ends this month!

THANK YOU to all who have responded to our appeal and contributed to this campaign! This collection is **critical** to maintaining the financial stability of our parish. Our Weekly Offertory alone doesn't cover all our operating expenses, so our Grand Annual collection is the bridge that allows us to do so. Especially at this time of year, this collection helps us meet the increased utilities and maintenance costs associated with the cold months coming ahead.

Your help in reaching our goal is needed and most appreciated!

Goal : \$80,000

\$ Collected : \$64,735

% Collected : 80%

The campaign will be in effect until January 2024. We also offer an on-line donation option on our website, for your convenience. It can be accessed with the QR code above or www.maryqopmedford.com/donate

We ask for your prayerful consideration & generosity!

St Francis of Assisi Church Furnace Replacement

Old St. Francis furnace

Joe Sestitio & Charlie Uglietto from Cubby Oil with the new furnace

Dear Members of the Parish,

As you know, the furnace in St. Francis of Assisi Church began to fail in mid-December, and our vendor, Cubby Oil, recommended that we replace this 40+ year old furnace as soon as possible. The replacement project, which began on January 8th, is completed.

Paying for the New Furnace - We need your help!

The cost to install the new furnace is almost \$78,000. The small amount of savings that the Parish has cannot pay for this. Therefore, the Finance Council voted unanimously on December 21 to use money from the "Inspiring Hope" Capital Campaign fund that was intended to make upgrades in the St. Francis Parish Center HVAC system. We will use \$40,000 from this fund to help pay for the new furnace in the church, since this is urgently needed.

Cubby Oil Co. will allow the Parish to pay the remainder, about \$38,000, over the next 12 months interest-free. So, I am asking the people of the Parish to please give what you can in some special collections we will have during the next few months. You can also send donations directly to the office, or online at our Parish website www.maryqopmedford.org. I am inviting people who normally attend St. Joseph Church to also contribute to this collection. We are one Parish and have the duty to care for all of our buildings. (Note: the 2nd collection this Sunday, January 21 will be for the furnace replacement fund, which will take the place of the snow removal collection.)

Thank you!

Thank you for your patience while the furnace was being replaced, and thank you for any contributions that you can make to pay for this unexpected and urgent project.

Fr. Paul Sullivan,
Pastor

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the “on-the-go” help button, is powered by one of the nation’s largest cellular networks, so there’s virtually no limit to your help button’s range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you’re one of the millions of people that have waited for an alert service because it didn’t fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp.
