## FOURTH SUNDAY IN ORDINARY TIME

Mark makes clear in today's Gospel that Jesus spoke with a different kind of authority, an authority or confidence that arose from his own prayer and personal relationship with the Father. Everything Jesus did, his words, his deeds, his response to those in need, all sprang from that relationship. This gospel gives us a little push to reflect on our own words and actions. During this coming week take time to speak to Christ about his relationship with the Father and to consider whether what we say and do arises from our relationship with God. Ask for the grace to speak with the confidence of Christ about his/our Father!

### Booking Mass Intentions

## Grand Annual Update

*Our Campaign ends this month!*

**THANK YOU** to all who have responded to our appeal and contributed to this campaign! This collection is *critical* to maintaining the financial stability of our parish. Our Weekly Offertory alone doesn't cover all our operating expenses, so our Grand Annual collection is the bridge that allows us to do so. Especially at this time of year, this collection helps us meet the increased utilities and maintenance costs associated with the cold months coming ahead.

**Your help in reaching our goal is needed and most appreciated!**

**Goal : \$80,000**  
**\$ Collected : \$64,735**  
**% Collected : 80%**

The campaign will be in effect until January 2024. We also offer an on-line donation option on our website, for your convenience. It can be accessed with the QR code above or [www.maryqopmedford.com/donate](http://www.maryqopmedford.com/donate)

*We ask for your prayerful consideration & generosity!*

## St Francis of Assisi Church Furnace Replacement Update

The St. Francis Church furnace project was successfully completed on January 13, 2024. The total cost of the project is \$78,000. The Finance Council repurposed the use of the funds available in the Inspiring Hope Campaign, \$40,000, to pay for part of this project. Our vendor, Cubby Oil, extended 12 months interest free financing for the remaining balance of \$38,000.

We are so very grateful for your generous response to our appeal! **This month to date you have contributed \$17,101 toward the cost of this project.** That's nearly 50% of the remaining balance! And, we have seen parishioners from both churches step up to help. THANK YOU!

If you haven't made a donation, we ask you to prayerfully consider contributing to this project. Over the next few months, we will have special collections at Masses. You can also make a donation online through our website [www.maryqopmedford.org](http://www.maryqopmedford.org).

## Blessing of the Throats *In honor of the Feast Day of Saint Blaise* February 3 & 4, 2024

St. Joseph ~ at the 4pm Saturday, 8am & 10am Sunday Masses  
St. Francis of Assisi ~ at the 4pm Saturday, 11:30am & 4pm Sunday Masses

## Saint Blaise

**S**aint Blaise is a bishop and martyr who lived in the fourth century in Turkey and Armenia. For a time, Blaise lived in a cave to escape persecution. On his feast the church recalls a miracle cure associated with him and celebrates the blessing of the throats. Blaise apparently saved the life of a boy who was choking on a fish bone. The saint said that anyone who lit a candle in his memory would be free of infection, thus candles are used in the traditional throat blessing. He is listed among the Fourteen Holy Helpers, saints revered as healers.

He is the patron saint of throat illnesses, animals, wool combers, and wool trading.

## A Help Button Should Go Where You Go!

**To be truly independent, your personal emergency device needs to work on the go.**

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
