## FIFTH SUNDAY IN ORDINARY TIME

Today's Gospel recounts "a day in the life" of Jesus. His activities included visiting the home of Peter, where Jesus cured Peter's mother-in-law. Then as word spread of his presence, the whole town brought those who were sick with various diseases, as well as those possessed with demons to be cured. After taking time to heal all who came to him, Jesus then took time for prayer. Each day we face a variety of activities and demands, how willing are we to be present when a listening ear, a healing touch, or a caring smile is needed? Do we follow Jesus' example and daily take time in quiet prayer? Let today's gospel be a mirror for a "day in our lives."

### Booking Mass Intentions

## Grand Annual Update

**Our Grand Annual campaign has come to an end!**

**THANK YOU** to all who contributed to this campaign! This collection is **critical** to maintaining the financial stability of our parish. Our Weekly Offertory alone doesn't cover all our operating expenses, so our Grand Annual collection is the bridge that allows us to do so. Especially at this time of year, this collection helps us meet the increased utilities and maintenance costs associated with the cold months of winter.

Every year, we come closer to meeting the campaign goal. For this great progress we are most grateful!

**There's still time to make a donation!** In addition to dropping your donation in the collection basket at Mass, we also offer an **on-line donation** option, for your convenience. It can be accessed through our website [www.maryqopmedford.com/donate](http://www.maryqopmedford.com/donate) or with the QR code below.

**Goal : \$80,000**  
**\$ Collected : \$69,087**  
**% Collected : 87%**

*We ask for your prayerful consideration & generosity!*

## Giving

A very heartfelt thank you for your generous and continued financial support of our parish through your offertory contributions!

**Mary, Queen of Peace Parish**

**January 28 Offertory** including online giving: \$7,225  
**Weekly Budget Requirement: \$10,000**

**Church in Latin America: \$1,715**

## St Francis of Assisi Church Furnace Replacement Update

The St. Francis Church furnace project was successfully completed on January 13, 2024. The total cost of the project is \$78,000. The Finance Council repurposed the use of the funds available in the Inspiring Hope Campaign, \$40,000, to pay for part of this project. Our vendor, Cubby Oil, extended 12 months interest free financing for the remaining balance of \$38,000.

We are so very grateful for your generous response to our appeal! **This month to date you have contributed \$17,101 toward the cost of this project.** That's nearly 50% of the remaining balance! And, we have seen parishioners from both churches step up to help. **THANK YOU!**

If you haven't made a donation, we ask you to prayerfully consider contributing to this project. Over the next few months, we will have special collections at Masses. You can also make a donation online through our website at [www.maryqopmedford.org](http://www.maryqopmedford.org) or with the QR code.

## A Help Button Should Go Where You Go!

**To be truly independent, your personal emergency device needs to work on the go.**

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
