FIRST SUNDAY OF LENT

In today's first reading we are given a beautiful reminder that every time we see a rainbow in the sky, God is reminding us of his covenant, his promise, to be with us. Like Christ, we will experience times of temptation to ignore the need for prayer, fasting and alms-giving. Our scriptures are meant to help us remember God's promise of fidelity so that we don't succumb to the temptations of ignoring the call to change our ways. To remember God's promise to be with you, place a rainbow in a prominent place to remind you that you can overcome any temptation, because God is with you.

**Edward Gaffey
Robert Nicholson**

We remember in our prayers our deceased parishioners & loved ones.

St. Francis of Assisi Church Furnace Replacement Update

The St. Francis Church furnace project was successfully completed on January 13, 2024. So far, the new system has been operating well and more efficiently.

The total cost of the project is \$78,000. The Finance Council repurposed the use of the funds available in the Inspiring Hope Campaign, \$40,000, to pay for part of this project. The parish is looking to raise at least the remaining balance of \$38,000, for which our vendor, Cubby Oil, extended 12 months interest free financing.

We are so very grateful for your generous response to our appeal! **To date, you have contributed \$25,126 toward the cost of this project. That's 66% of the remaining balance!** And, we have seen parishioners from both churches step up to help. **THANK YOU!**

Remaining balance needed \$38,000
Donations received 25,126
Donations needed \$12,874

If you haven't made a donation, we ask you to prayerfully consider contributing to this project. Over the next few months, we will have special collections at Masses. You can also make a donation online through our website www.maryqopmedford.org or by scanning the QR code.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the “on-the-go” help button, is powered by one of the nation’s largest cellular networks, so there’s virtually no limit to your help button’s range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you’re one of the millions of people that have waited for an alert service because it didn’t fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
