## SECOND SUNDAY OF LENT

The readings this week deserve to be read and reread and pondered. "God put Abraham to the test." Those words have an ominous sound, ones that sound worrisome. Think about what it feels like to say God put (insert YOUR name) to the test. What might that test look like in your life? How are you tested? How do you respond to difficult situations God asks you to face? In our Gospel, we hear God speak "This is my beloved Son. Listen to Him." As you begin this second week of Lent, listen attentively to what Jesus speaks to you, or asks of you. The important message in our readings today is that God is faithful no matter the circumstances and trials we face.

### *This week at St. Francis of Assisi Church ~*

The Hosts & Wine for our liturgies are in memory of:

**Rosetta DeVita**

*In Loving  
Memory*

**Ellen "Josie" Maloney  
Anne M. Mecrones  
Edward F. Othmer  
Concetta "Tina" Ranieri  
Robert J. Reagan**

*We remember in our prayers our deceased  
parishioners & loved ones.*

**MAY THEY REST IN PEACE**

## St. Francis of Assisi Church Furnace Replacement Update

The St. Francis Church furnace project was successfully completed on January 13, 2024. So far, the new system has been operating well and more efficiently.

The total cost of the project is \$78,000. The Finance Council repurposed the use of the funds available in the Inspiring Hope Campaign, \$40,000, to pay for part of this project. The parish is looking to raise at least the remaining balance of \$38,000, for which our vendor, Cubby Oil, extended 12 months interest free financing.

We are so very grateful for your generous response to our appeal! **To date, you have contributed \$29,347 toward the cost of this project. That's 77% of the remaining balance!** And, we have seen parishioners from both churches step up to help. **THANK YOU!**

**Remaining balance needed \$38,000**  
**Donations received 29,347**  
**Donations needed \$ 8,653**

If you haven't made a donation, we ask you to prayerfully consider contributing to this project. Over the next few months, we will have special collections at Masses. You can also make a donation online through our website [www.maryqopmedford.org](http://www.maryqopmedford.org) or by scanning the QR code.

## A Help Button Should Go Where You Go!

**To be truly independent, your personal emergency device needs to work on the go.**

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the “on-the-go” help button, is powered by one of the nation’s largest cellular networks, so there’s virtually no limit to your help button’s range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you’re one of the millions of people that have waited for an alert service because it didn’t fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
