THIRD SUNDAY OF LENT

In today's Gospel, Jesus may come across as harsh. Jesus knew well the wrongs and injustices that were prevalent in some temple practices. His action is meant to highlight those who made it difficult, if not impossible, for people to feel welcome in the house of God. Are our attitudes or ways of behaving as a church or as a parish seen as snobbish or impersonal or unwelcoming? In our efforts to be a welcoming and evangelizing parish, it is important that each of us examine our attitudes and work to change what might keep people from feeling at home with us. During these Lenten days, let us make it our mission to make our parish a place where everyone has a place, and no one feels excluded.

Booking Mass Intentions

We are now booking Mass Intentions through June 2024. If you would like to book a Mass for a loved one, please contact the parish office at 781-396-0423 x 103.

St. Francis of Assisi Church Furnace Replacement Update

The St. Francis Furnace Has Been Paid For!

Thanks to many generous parishioners, we are happy to announce that the new furnace at St. Francis Church has been paid for! The new furnace, which was installed in early January to replace the 40 year-old furnace that had failed, cost \$78,000. After taking \$40,000 from the Capital Campaign Fund of 2019, we asked the parishioners to donate to pay off the remaining \$38,000. And many people stepped up to the challenge!

One donor, who has lived in and volunteered at St. Francis for many years, made an anonymous donation of \$20,000. Another anonymous donor contributed \$5,000. There were also 2 donations of \$2,500 each, and 8 donations of \$1,000. The total amount raised at this date is \$56,848, which is over and above the \$38,000 that was needed. We will put the extra money, \$18,848, into our savings to fund future repairs and improvements. Just this week, we had to replace a main valve in the heating system at a cost of \$7,000.

Thank you to all who contributed to this urgent appeal! Whether you gave \$20,000 or \$20, every bit helped to restore the boiler in our beautiful St. Francis of Assisi Church. May the Lord reward all who continue to support our Parish each week as well as in special circumstances like this.

Fr. Paul

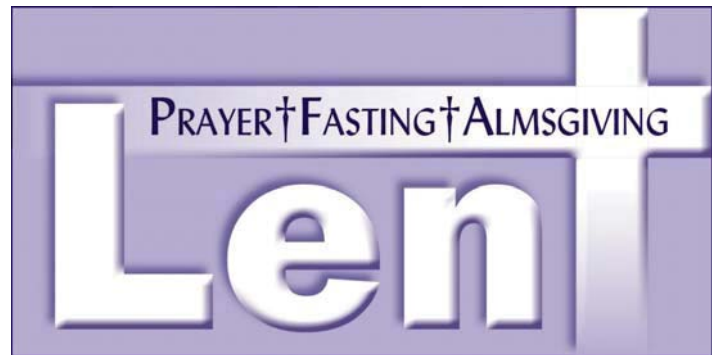

PLEASE NOTE: The March and April envelopes and second collections for St. Francis Furnace will be put back toward Utilities and Snow Removal.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the “on-the-go” help button, is powered by one of the nation’s largest cellular networks, so there’s virtually no limit to your help button’s range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you’re one of the millions of people that have waited for an alert service because it didn’t fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
