FOURTH SUNDAY OF LENT

Oftentimes at sports events, people hold up a sign “John 3:16” to be shown on a jumbotron! It’s likely that many people do not know what John 3:16 is, let alone what the text says! We’re given that text in today’s Gospel. This text is given to us to remind us of the extent of God’s love, the length to which our God went to convince us of His love. All are included in God’s vast inclusive love. God loves each one of us as if we were the only one in the world to be loved. As Lent continues take a few minutes to ponder God’s all-inclusive love for you. How will you respond to that love?

"Every gift to the Appeal, no matter the amount, has meaning and purpose, and every gift plays an integral part in the vital mission of the Archdiocese of Boston." - Cardinal Seán O'Malley

bostoncatholicappeal.org/donate4

This weekend, we are launching the **Catholic Appeal** at our parish. Father Paul and Father Peter will invite us to make a donation by completing a donation envelope at all of this weekend's Masses. As Catholics, each of us shares the responsibility of the Church community – both directly within our parish and to the greater Church. We hope to achieve 100% participation from our parishioners!

Thank you to those who have already responded generously to Cardinal Seán's invitation! Because of your early support, we have already reached 14% of our goal of \$53,400.

We are grateful for your support and for responding in faith, hope, and charity by making a gift to the 2024 Catholic Appeal. We are stronger together and your generous participation is greatly appreciated!

Booking Mass Intentions ~ We are now booking Mass Intentions through June 2024. If you would like to book a Mass for a loved one, please contact the parish office at 781-396-0423 x 103.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
